and Folcroft Landfill Annex

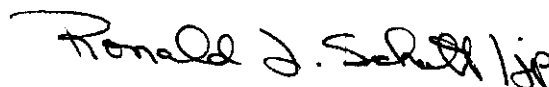

Dear Mr. Nishitani:

This correspondence is written in furtherance of our telephone discussion of August 20, 2002 regarding the August 9, 2002 U.S. Environmental Protection Agency ("EPA") request for information pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act, of 1980, as amended ("CERCLA"). This will confirm that EPA has granted an extension of time up to and including September 30, 2002 to file its response to the EPA request for information.

If this is not in accord with your understanding, please advise us immediately.

Thank you for your attention to this matter and, in the interim, if you have any questions please feel free to contact me at your earliest convenience.

Very truly yours,

Ronald J. Schott
